ABOUT THE *Developer*

Land Tejas is one of the largest developers of master-planned communities in the greater Houston area. In 2019 Land Tejas was ranked the #1 developer of residential lots in the Houston market based on number of lots developed and sold. During its 25-year history, Land Tejas has developed in excess of 30,000 lots and 16,500 acres of land into master-planned communities.

Land Tejas currently has 11 active communities. It is known for bringing the first Crystal Lagoons® amenity to Texas when it opened the Humble lagoon in Balmoral in 2018 and again in 2020 at the Texas City 12-acre lagoon in Lago Mar.

THE *Sol* OF SUNTERRA

The heart and *sol* of Sunterra will be an approximately 3.5-acre Crystal Lagoons® amenity, with white sand beaches and Caribbean blue waters. The lagoon will be situated within a resort-style Amenity Village, elevating the entire community as a prime location to live work and play.

Swim, kayak, paddleboard or bask in the sun - neighborhood recreation has never been better. With a focus on outdoor health and wellness, the Crystal Lagoons® formula uses innovative technology that conserves water and lessens environmental impact. In other words, good for the planet and fun for you and your family.

ALL TRAILS LEAD TO *Fun*

Enjoy the benefits of living in a master-planned community in a whole new way.
A wide and varied master plan will have something for just about every family.
As the selection of amenities continues to grow, what better way
to experience it all than with the 12' wide GreenBolt Trail.

YOUR PATH TO *Adventure*

Whether it's visiting neighbors, going for a run or bolting to the pool, the GreenBolt® will take you there. The 12-foot wide paved path will wind through Sunterra, allowing you to jog, walk or drive your electric-powered cart or scooter to the community's main attractions. Visit your neighbors or go for a swim, your path to adventure starts with the GreenBolt.
